

## Family Friendly at Merchants Quay Shopping Centre

Merchants Quay Shopping Centre is a family friendly place to visit, shop and have fun. Our Child Safe Shopping scheme helps families, schools, clubs & most importantly children.

### Free Wristbands

A mobile number on a wristband is the simplest and quickest way to reunite a lost child. These free bands are bright, waterproof and tough.

Available at all times from the Merchants Quay Shopping Centre.

### Window Stickers

Bright orange balloon window stickers carry a safety number **0818 28 68 50**, that puts people quickly in touch with our security control room.

Teach your child to look for the orange balloon window stickers, if they get lost or need help.
